Innovation 2045 now up for public comment!

Yes, Innovation 2045 has draft chapters, companion videos, and even an online public workshop now on the web. You can go to www.innovation2045.com to access everything. We need your input, comments, and suggestions to make this MTP update a dynamic and living document. Please be sure to take a look at the project story map, which will give you a visual of all 171 projects that are in the MTP. Thank you in advance for your assistance!

Interactive Map online

Mike Ward, the MPO GIS Planner spent most of the year putting together an amazing visual of all the projects in our current MTP, along with all the past projects. This interactive story map is also available online at <https://storymaps.arcgis.com/stories/121d92b0f030420d99d01e6ff774c584>. "This map is a tremendous way of getting tons of information to people in a visual way. It takes our story and makes it real to the people living in our neighborhoods. It really is the best kind of public outreach." says Helen Wiles, Public Outreach Manager

MPO Staff:

Executive Director: Reed Macmillan
Principal Planner: Jim Galvin
GIS Planner: Mike Ward
Public Outreach: Helen Wiles
Executive Asst.: Catherine Samardza
Admin. Asst.: Darien Sawicki

MPO Participated in Bike to Work Day

The Dover Kent County MPO was pleased to participate in Bike To Work Day at the Dover Library last month. It was nice to be out and about and see a few friendly faces again.

The MPO Office is located at
