RE: Technical Advisory Committee (TAC) Representation for OSPC

Dear Ms. Smith:

It has been a privilege serving as the TAC representative for the Office of State Planning Coordination (OSPC) for the past several years. After my transition to the Director of OSPC, Josh Thomas joined our office on August 30, 2021 to serve as the new Circuit Rider Planner for Kent County. Josh's role as Circuit Rider is directly aligned with the objectives of the TAC. Therefore, effective today, I am stepping down as TAC representative and appointing Josh Thomas to serve on the TAC for OSPC.

Josh can be reached at (302) 672-5138 or joshua.thomas@delaware.gov. If you have any questions or concerns for me, I can be reached at (302) 739-3090 or david.edgell@delaware.gov.

Sincerely,
