Options:

- Amend bylaws to remove term limits.
- Amend bylaws to increase number of consecutive terms allowable to be served.
- Amend bylaws to include language: “A PAC member’s term shall not exceed three (3) years, and the Council may reappoint PAC members for one an additional term. **Upon completion of two 3-year terms, PAC members may serve until their position is filled.**”
- Leave bylaws as is. Cycle out the four PAC members over the next two years so as to create “staggering” of term expirations.
