**Re: Dover Kent County Metropolitan Planning Organization - FY 2023 Unified Planning Work Program**

Dear Ms. Smith:

The FY 2023 Unified Planning Work Program (UPWP) for the Dover Kent County Metropolitan Planning Organization (DKCMPO), as approved by the DKCMPO on May 18, 2022, has been reviewed and is approved effective July 1, 2022.

This authorization is subject to the availability of Federal funds for transportation planning activities in the urbanized area. The Dover Kent County MPO may request funding for the program in accordance with established procedures.

The work program represents a Continuing, Comprehensive, and Cooperative planning effort that effectively maximizes the planning dollars allotted to the region and addresses the relevant planning issues facing the Dover/ Kent County, Delaware area.

In our review of the FY 2023 UPWP, we were able to identify the regional planning efforts underway or planned activities in this work plan that will address FAST Act requirements.

Mr. Timothy Lidiak, Community Planner, is available at (215) 656-7084 if you have any questions concerning this approval.

Sincerely,

Laura Keeley, Director  
Office of Planning and Program Development
